---

3. What do you like about how they help others? \_\_\_\_\_

---

Please answer these questions honestly. Check the boxes that seem like the best fit for you!

| Question 4:   | strongly disagree | somewhat disagree | somewhat agree | strongly agree |
|---|-------------------|-------------------|----------------|----------------|
| a. I wish I could do more to help people.   |                   |                   |                |                |
| b. I care about what my <u>friends</u> are going through.                                 |                   |                   |                |                |
| c. I care about what my <u>classmates</u> are going through (even if we are not friends). |                   |                   |                |                |
| d. Most people have an easy life.   |                   |                   |                |                |
| e. Kids can do a lot more to help than adults realize.                                    |                   |                   |                |                |
| f. I feel <u>lucky</u> to have my life.   |                   |                   |                |                |
